

# Freezing Equipment Company

*“Partnering for Success”*

26828 Maple Valley Hwy, #224, Maple Valley, WA 98038 \*HQ (800) 969-3913 \*Fax (425) 254-0009

Pacific Northwest, California, Utah, Nevada & Arizona

Heat Transfer Products Group (HTPG), manufactures and markets energy-efficient commercial and industrial refrigeration equipment and system solutions sold under the trusted premium brands: Russell, Witt, Kramer, and ColdZone. HTPG is a member of the Rheem Family of brands. <https://www.htpg.com/>

A complete line of semi-hermetic and open drive reciprocating compressors as well as semi-hermetic and open drive screw compressors. [www.frascold.it](http://www.frascold.it)

A full line of high-efficiency ductless solutions that can fit your needs without compromising the integrity of the space comfort. <http://www.carrier.com/residential/en/us/>

**VAHTERUS**

Custom-Made Plate & Shell Heat Exchanger Solutions. Utilized in various oil and gas, chemical process, energy and refrigeration industries. <https://vahterus.com/>

**A West Coast independent sales agency proudly representing the equipment manufacturers since 1988.**

**\*Industrial Refrigeration**

**\*Commercial Refrigeration**

**\*Residential**

**\*Commercial HVAC**

FES Systems: Industrial screw compressor packages, shell & tube heat exchangers, reciprocating compressors, heat pumps, control systems and custom packages for the food & beverage and petro-chemical industry. [www.gea.com](http://www.gea.com)

Evaporative condensers, fluid coolers, critical process units, cooling towers, aluminum, galvanized and stainless-steel evaporators. [www.evapco.com](http://www.evapco.com)

ASME pressure vessels, pump packages, intercoolers, surge drums and transfer systems for the industrial refrigeration industry. [www.rvscorp.com](http://www.rvscorp.com)

The Evapcold product includes several state-of-the-art innovations in heat transfer technology, energy efficiency and microprocessor control for reliable low charge operation. <https://www.evapco.com/products/evapcold>

Refrigeration valves, regulators and controls for Commercial and Industrial Refrigeration Systems. [www.hantech.com](http://www.hantech.com)

Heat Exchangers: Semi Welded heat exchangers, gasketed heat exchangers, brazed plate ammonia and freon based heat exchangers, falling film chillers. [www.GEA-PHE.com](http://www.GEA-PHE.com)
